SUBJECT INDEX, VOLUME 134

Acer rubrum, effects of rhizosphere inundation ... 127
Alabama, biogeochemistry of loblolly pine systems ... 176
Amphibians, distribution of Van Dyke's salamander ... 388
Aphaenogaster sp., ecology in desert grassland ... 75
Arizona, ecology of ants ... 75

Birds, abundance at landfills ... 30
habitat use ... 1
midwestern breeding bird populations ... 41
predation on artificial nests ... 200
Boltonia decurrens, survival of floods ... 117

Chaetodipus hispidus, albinism ... 185
Chenopodium album, interspecific competition ... 90
Cladochaeta spp., association with *Clastoptera* ... 215
Clastoptera spp., associated with *Cladochaeta* ... 215
Colorado, fragrances of calyx and corolla ... 286
Conyza canadensis, survival of floods ... 117
Corynorhinus townsendii, habitat use ... 340
Cosmos bipinnatus, resource allocation ... 84

Danaus plexippus, population fluctuations ... 205
Dineutes assimilis, grouping trade-offs ... 51
Dioscorea japonica, wind dispersal of seeds ... 400

Ecology, animal, abundance of birds at landfills ... 30
ant ecology in desert grassland ... 75
benthic fish community ... 361
diet of big brown bat ... 346
effects of weather on cricket ... 226
fly larvae associated with spittlebug nymphs ... 215
grouping trade-offs in whirligig beetles ... 51
habitat use by breeding birds ... 1
habitat use by Virginia long-eared bats ... 240
macroinvertebrate drift in Mississippi ... 63
midwestern breeding bird populations ... 41
monarch butterfly population fluctuations ... 205
predation on artificial avian nests ... 200
range shift by bobcat ... 409
reproduction of black swamp snake ... 371
rodent use of microhabitat patches ... 193
survival of bobcat ... 404
turtle shell disarticulation ... 378
Van Dyke's salamander distribution ... 388
white-tailed deer browsing on *Lactuca* ... 332
white-tailed deer mineral licks ... 324
Ecology, plant, advance regeneration under aspen ... 166
allometry of tree bark ... 99
biogeochemistry of loblolly pine systems ... 176
competition in *Chenopodium album* ... 90
demographics of *Platanthera praeclara* ... 307
effect of white-tailed deer browsing on *Lactuca canadensis* ... 332
effects of disturbance on exotic plants ... 244
effects of floods on red maple ecotypes ... 127
environmental effects on *Penstemon grandiflorus* ... 237
fragrances of *Polemonium foliosissimum* ... 286
pitch pine communities ... 294
purple loosestrife biomass ... 394
resource allocation in *Cosmos bipinnatus* ... 84
seed banks of Carolina bays ... 140
seed predation in temperate forest ... 107
soil and plant communities associated with *Vitis* ... 254
soils and vegetation in Baraga Co. Michigan ... 264
survival of floodplain herbs in floods ... 117
understory diversity in forests ... 155
wind dispersal of Japanese yam ... 400
Eptesicus fuscus, diet ... 346

Fish, benthic community ... 361
Florida, disarticulation of turtle shells. ... 378

Genetics, polymorphism for albinism in hispid pocket mouse ... 185
Geomys bursarius, effects on *Penstemon grandiflorus* ... 237

Hadenoecus subterraneus, effects of weather ... 226
Holbrookia maculata, extinction ... 413

Illinois, predation on artificial avian nests ... 200
Indiana, diet of big brown bat ... 346
understory diversity in forests ... 155
Insects, ant ecology in desert grassland. ... 75
Cladochaeta associated with *Clastoptera*. ... 215
grouping trade-off in whirligig beetles. ... 51
monarch population fluctuations ... 205
weather effects on cricket ... 226
Invertebrates (other than insects), macroinvertebrate drift in Mississippi River ... 63
Iowa, habitat use by breeding birds ... 1

Kentucky, benthic fish community ... 361
weather effects on cricket ... 226

Lactuca canadensis, effects of white-tailed deer ... 332
Louisiana, macroinvertebrate drift ... 63
Lynx rufus, mortality rates ... 404
range shift ... 409
Lythrum salicaria, biomass and P concentrations ... 394

Mammals, diet of big brown bat ... 346
habitat use by Virginia long-eared bats ... 340
microhabitat patch use by rodents ... 193
polymorphism in mice ... 185
range shift by bobcat ... 409
survival of bobcat ... 404
white-tailed deer and mineral licks ... 324

white-tailed deer browse on *Lactuca canadensis* 332
Maryland, effects of disturbance on exotic plants 244
Massachusetts, mortality rates of bobcats 404
Michigan, advance regeneration under aspen 166
soils and vegetation in Baraga County 264
Minnesota, environmental effects on *Penstemon grandiflorus* 237
purple loosestrife biomass 394
white-tailed deer browse on *Lactuca canadensis* 332
Missouri, survival of floodplain herbs in floods ... 117
Myrmecocystus spp., ecology in desert grassland ... 75

Nebraska, decline of *Holbrookia maculata* 413
New York, grouping trade-offs in whirligig beetles 51
pitch pine communities 294
North Dakota, demographics of *Platanthera praeclara* 307

Odocoileus virginianus, browsing on *Lactuca canadensis* 332
characteristics of mineral licks 324
Ohio, abundance of birds at landfills 30

Pennsylvania, resource allocation in *Cosmos bipinnatus* 84
seed predation in forest 107
Penstemon grandiflorus, effects of shade, crowding, pocket gophers 237
Pinus spp., allometry of tree bark 99
P. rigida, communities 294
P. taeda, biogeochemistry of loblolly pine systems 176
Platanthera praeclara, demographic analysis 307
Plethodon vandykei, distribution 388
Polemonium foliosissimum, fragrances in calyx and corolla 286

Reproduction, black swamp snake 371
Reptiles, decline of *Holbrookia maculata* 413
disarticulation of turtle shells 378
reproduction of black swamp snake 371
Seminatrix pygaea, reproduction 371
South Carolina, reproduction of black swamp snake 371
seed banks of Carolina bays 140
South Dakota, white-tailed deer and mineral licks 324
Streams, benthic fish community 361

Typha spp., biomass and P concentration 394

Virginia, effects of flooding on red maple ecotypes 127
habitat use by Virginia long-eared bats 340
Vitis spp., soil and plant communities 254

Washington State, distribution of Van Dyke's salamander 388
Wisconsin, range shift by bobcat 409
